Tamil Nadu Government Subsidy Schemes for Farmers

Major Subsidy & Welfare Schemes

Chief Minister's Mannuyir Kaathu Mannuyir Kaappom Scheme

Focuses on soil health preservation, green manure promotion, and regenerative farming practices across Tamil Nadu.

PMKSY Micro-Irrigation Scheme

Provides up to **100% subsidy** for small and marginal farmers and 75% for other farmers to install drip and sprinkler irrigation systems.

Chief Minister's Solar Powered Pumpsets Scheme

Offers a **70% subsidy** for installing off-grid solar-powered irrigation pumpsets (with a 30% farmer contribution).

Sub-Mission on Agricultural Mechanisation (SMAM)

Provides a **50% subsidy** on farm machinery and power tillers for small, marginal, SC/ST, and women farmers, plus support for Custom Hiring Centres.

Kalaignarin Anaithu Grama Orunginaintha Velaan Valarchi Thittam (KAVIADP)

An integrated village agricultural development scheme supporting crop diversification, horticulture, and farm infrastructure.

Tamil Nadu Irrigated Agriculture Modernisation Project (TNIAMP)

Promotes climate-resilient farming, farm pond construction (Rs. 75,000 subsidy), and agri-entrepreneurship projects.

Electric Motor Pumpsets Scheme

Provides subsidized new or replacement electric motor pumpsets for agricultural wells.

Tamil Nadu Millet Mission & Oilseeds Mission

Offers certified seeds, input kits, and demonstration subsidies (such as Rs. 10,000/ha for groundnut demonstrations) to boost dryland and nutrient-rich crop production.

Organic Farming Development & Certification Waiver

Provides direct per-hectare incentives for organic cultivation of vegetables (e.g., Rs. 2,500 to Rs. 5,000 per hectare) and waives organic certification fees.

How to Apply

Farmers can check eligibility, view real-time input stocks, and apply for these benefits digitally through the official **Uzhavan Mobile App** or by contacting their local Village Assistant Agricultural Officer (AAO) or Block-level Agricultural Extension Centre.
